### MINISTRY OF COMMERCE AND INDUSTRY

#### PUBLIC NOTICE

#### IMPORT TRADE CONTROL

*New Delhi, the 5th December, 1959*

**SUBJECT:—***Issue of 'repeat licences' during October, 1959—March, 1960 licensing period.*

**No. 117-ITC(PN)/59.**—Attention of importers is invited to the Ministry of Commerce and Industry Public Notice No. 85-ITC(PN)/59, dated the 30th September, 1959 according to which for obtaining repeat licences, the importers have been given the option to produce the Exchange Control Copy of the licence if, through any circumstances, the Customs Purposes Copy of licence was held up in the Customs. Representations have been received that the necessity of producing either the Customs Purposes Copy or the Exchange Control Copy for obtaining repeat licences is causing inconvenience to the applicants. On account of certain difficulties arising out of this provision, it has been considered necessary to notify that in cases where Exchange Control copies are in the custody of the Reserve Bank of India or other Exchange Banks for letters of credits already opened, the established importers need not make applications to these banks for return of the Exchange Control copies of their licences which have been surrendered to them and have become part of their records. In circumstances, where the importers are not in a position to produce either the Customs Purposes Copy or the Exchange Control Copy of the licence granted to them during April—September, 1959 period, it is open to them to submit regular applications for grant of quota licences in the usual form and manner duly supported by the original quota certificates.

**K. T. SATARAWALA,**  
Chief Controller of Imports and Exports.
